Team Captain Duties

As the captain of a team, you will be the primary point of contact for your team members. It is your job to create the team, invite people to join and keep members motivated, inspired and informed of the team's progress. You will be responsible for making sure that every team member is registered and ready to help your team raise funds!

1. First, **CREATE** your team (you must create/register your team online). Returning team captains must register a team for the current year. Team names are not guaranteed so the earlier you create the team, the better your chances are of keeping the same name.
2. Then **RECRUIT** people to join. Encourage online registration.
3. Remember, set a team **FUNDRAISING** goal. Team Captains are the number one reason members fundraise. Communicate Race information to your team – keep everyone motivated!

What is a Team?

A team is a group of **10 or more** participants who register under a common team name to help end breast cancer forever. Any company, family, group of friends, club, community organization, school or faith group can form a team. Online Team registration (team name and team members) ends midnight September 22, 2016. We have four different categories for you to select from:

- Friends & Family
- Non-Profit Group - includes faith-based, educational and alumni groups
- Small Corporate Group - 50 employees or less
- Large Corporate Groups - over 50 employees

How to Register Your Team

1. Go to www.komenoc.org/race and click on "REGISTER" on the top right corner
2. Select *Start a New Team*
3. Select *First Time Registration*
4. Create your Team Name and set a Team Fundraising Goal
5. Follow the steps to complete your registration
