

Breast Health Referrals

- **DO NOT give out medical advice!**
 - If someone asks for medical advice or a doctor referral, you should tell them to ask their current physician or insurance provider.
 - You have to be very careful what information you give out.
 - If the person persists, tell them you are not a medical professional & it is in *their* best interest to talk to a medical professional.
- For referrals, please use the Orange County Breast Health Resource Guide

KOMEN FUND FOR BREAST HEALTH CARE PARTNER CLINICS

The Orange County Affiliate of Susan G. Komen for the Cure has a program called the “**Komen Fund for Breast Health Care**” set up through the participating clinics that can cover the cost of diagnostic breast health services.

Please Note: Make sure to recommend to the caller that they should inform the clinic operator that they have a breast concern, and were referred by Komen OC for the Komen Fund for Breast Health Care Program.
